

The Divisional Railway Manager  
Works Branch  
Divisional Office  
Thycaud  
Thiruvananthapuram-14

Sir,

Sub:- Regarding Construction of Railway platform in Thiruvananthapuram Veli Railway Station.

Ref:- (1) Submission dated 05.12.2013 by the Association to Dr. Sasi Tharoor, Member of Parliament, Thiruvananthapuram.  
(2) Application to the Railway Divisional Manager, Thiruvananthapuram dated 04.01.2013 by the Association.  
(3) Letter No. V/W 101/ST dated 28.02.2014 from Railway Divisional Manager, Thiruvananthapuram.  
(4) Reply to the Railway Divisional Manager, Thiruvananthapuram dated 07.05.2014 by the Association.

Submitting this application for your kind consideration and favorable action.

We are grateful for considering our previous application to construct a railway platform in the western side of the Veli Railway Station, which is used by the passengers traveling towards Kollam.

The passengers traveling towards Trivandrum are in majority but the misery faced by them still exists as the platform in the eastern side is yet to be constructed.

Sufficient land belongs to the Railway is available in the eastern side of the Railway Station as well. Pedestrians are using the railway land as it is not being used by the Railway at present. Railway has full authority in using the available land for constructing the platform.

Development of the Station and convenience of the majority people has to be given more importance than the opposing minority.

So it is humbly requested that, a Railway platform in the eastern side of the Veli Railway Station may also be constructed to solve the misery and accidents faced by the passengers traveling towards Trivandrum.
